DETAILED ACTION

The preliminary amendment, which included cancellation of claims 1-22 and addition of new claims 23-33, filed on 4/01/2005, is made of record.

Claims 23-33 are now pending.

Information Disclosure Statement

References cited in the Information Disclosure Statement, filed on 9/9//2003 (corresponding to 8/16/2000 & 8/29/2000 of parent 09/499,997), are made of record.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the first line of Specification below the title add the following :

This application is a continuation of US Application No. 09/499,997 filed on 8 February 2000, which is now abandoned.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The combined declaration of Hubert Menne, asserting that instant compounds show unexpected/superior properties over the prior art compounds of Levitt and Schurter as seen in the comparative Example A and Example B, renders the instant compounds distinct over the prior art compounds of Levitt, US 4,892,946 and Schurter, EP 0116518.

Therefore, examiner noted that claims 23-33 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
